Online Charity Tournament 2.0 for the Swiss Red Cross

The charity tournament is back! On Thursday, 2022 May 19th, it's finally time again. After two years, we are back - with the aim of supporting war-ravaged Ukraine and people in need. The proceeds from this year's return will go entirely to the Swiss Red Cross for humanitarian aid in Ukraine.

Easter Monday 2020, first edition, 291 participants, largest Swiss online tournament to date, over 8600 Swiss francs in donations, two top commentators. Can we top that this year? That's up to you! Joining the commentary team is Swiss national GM Sebastian Bogner with live English commentary. GM Nico Georgiadis will once again take over the German-language stream. Whether and who will commentate the tournament in French is still to be determined.

Now it's your turn! Take part and support Ukrainian war victims. Whether as a player or as a spectator, we look forward to seeing you!
